OVERVIEW & METHODOLOGY

This report presents interim monthly findings of a comprehensive visitor profile development study conducted by Destination Analysts, Inc. on behalf of Visit St. Pete/Clearwater. The data presented here comes from an in-person intercept survey of St. Pete/Clearwater area visitors at locations throughout the destination. To be considered a visitor, respondents had to reside outside of Pinellas County. This preliminary report presents the top-line survey data collected from these surveys in December 2018.

Note that data presented in this interim report is weighted so that data collected accurately reflects the overall population of St. Pete/Clearwater area visitors.

In total, 475 completed surveys from Pinellas County visitors were collected.

RESEARCH OBJECTIVES

The overarching goal of this survey-based research is to create in-depth profiles of Pinellas County visitors, including:

- Detailed trip characteristics (i.e. tripographic information like the reason for visiting the area, length of stay, place of stay, etc.)
- Travel party composition
- Activities & attractions visited in the St. Petersburg/Clearwater area
- Evaluation of St. Petersburg/Clearwater brand attributes
- Detailed visitor spending estimates
- Travel planning resources used by St. Petersburg/Clearwater area visitors
- Visitor satisfaction
- Visitor demographics
